

# New Jersey Conservation POSTER CONTEST

## 2025

Prizes for  
Statewide

Competition

1st Place \$100

2nd Place \$50

3rd Place \$25

The New Jersey  
Conservation Poster  
Contest is open to all  
students in grades 2-12  
and students compete  
in grade categories.  
Local Soil Conservation  
District prizes may also  
be awarded!

### Contest Sponsors:

The NJ Department of Agriculture,  
the NJ Association of Conservation Districts, and  
your local Soil Conservation District

The Poster Contest is open to all students in grades 2-12 — public, private, home schooled and youth groups included.

### Why Participate ?

Designing a poster and researching the theme can give you a voice in your community about important conservation issues. Good posters capture people's attention and deliver stories in a way that everyone can understand. A powerful graphic can inspire people to be concerned about conservation.

### Information Resources: *Home is Where the Habitat is*

You will want to learn all you can about the important role of both natural and managed habitats. Habitats are the environment where a plant or animal naturally grows and lives. You can find resources at your school or public library or nature centers. Science books and local newspapers are also great resources as well as the Stewardship & Education section of the NACD website at [www.nacdnet.org](http://www.nacdnet.org). Get guidance from your teacher or parents to find information on the internet about the connection between conservation and habitats. Ask your teacher and your local conservation district about projects and other possible resources in your community.

### DID YOU KNOW.....

**You can help habitats.** If you make it a habit to conserve and manage resources, you help to create & preserve healthy habitats!

**Soil Conservation Districts help habitats.** Since the Dust Bowl of the 1930's, Soil and Water Conservation Districts, along with state and federal agencies, have worked to reduce soil erosion and water degradation. Through education outreach and technical assistance to land owners, residents learn of the importance of our natural resources.

**NJ Soil Conservation Districts (SCD)** are special purpose subdivisions of the State. In cooperation with the State Soil Conservation Committee, they are empowered to conserve and manage soil and water resources and address stormwater, soil erosion and sedimentation problems that result from land disturbance activities. There are 14 Soil Conservation Districts in New Jersey. (See back page for list.)

In response to growing public concern for water quality, NJ conservation districts have become the primary local governmental agencies responsible for monitoring nonpoint sources of pollution associated with agriculture, construction and mining. The technical services of the USDA, Natural Resources Conservation Service and other resource agencies are made available through the districts.

# New Jersey Rules

These rules must be followed for your poster to be accepted by your local Soil Conservation District. Entries that do not conform to the rules will not be judged.

**Please review and follow your local Soil District rules for the deadline!**

1. Clearly print your name and information on the entry form **AND** tape the completed entry form to the back of your poster.
2. Tape a 1-3 sentence explanation of your poster, neatly written on a 3" x 5" or 4" x 6" index card, to the back of the poster. Be sure to write your name and county on the index card.
3. **Contest theme "Home is Where the Habitat is" must appear somewhere in your poster. Leave a 1 inch border of white space at the edges of the poster; lettering should not run on to the edges.**
4. The poster must be flat, no 3-D objects.
5. Poster size must be between 8.5" x 11" and 22" x 28".
6. Any medium may be used including paint, crayons, colored pencils, charcoal, paper or other materials. No collage or montage.
7. One poster per student.
8. The poster must be the original artwork of the student.
9. **ENTRY DEADLINE: See Local District Rules** →
10. Decisions of the judges are final and all entries become the property of the contest sponsors.

## Poster Evaluations

Posters will be judged on the following criteria: Relevance to contest theme: **"Home is Where the Habitat is"**

- Conservation message
- Visual effectiveness
- Originality
- Overall appeal

**CASH PRIZES** for the New Jersey Statewide competition are awarded by the:

**New Jersey Association of Conservation Districts**

First - \$100    Second - \$50    Third - \$25

## Morris County Soil Conservation District Rules

1. The teacher of each class/group participating in the contest is responsible for selecting one or two winning posters per class. **Please do not send in posters from an entire class.**
2. Follow ALL the rules to the left. The Contest Theme "Home is where the Habitat is" must appear on the poster.
3. An entry form should be taped to the back of each poster along with a brief explanation written on an index card.
